

Rental rates shall apply for the entire time equipment is away from NORGARD RENTAL place of business regardless of weather but not for lost time due to mechanical failure, unless caused by renter or his agents and servants.

Customer is responsible for equipment during entire time of rental period, including but not limited to operation, storage & transportation of rented equipment.

Renter shall be responsible for loss and damage to equipment arising from any cause.

Norgard Equipment Rentals shall not be responsible for any personal injury or property damage while equipment is in possession and under the control of the Renter and his agents and servants.

The renter shall bear the expense of all fuel and cleaning costs of the equipment.

Title to the equipment shall at all times be vested in Norgard Equipment and free of liens

The renter shall have no rights to sub-lease said equipment. The equipment is to be used solely by the renter and kept within the renters possession and under its control at said location previously stated in this agreement.

The Renter Agrees to use the equipment within its normal capacity and for the purpose for which it was intended.

When equipment is not in use it will be kept in a protected area.

Norgard Equipment reserves the right to cancel this contract at any time it may consider to protect its property.

All equipment must be correctly tied down & secured during transportation, and transportation vehicle & trailer must be appropriate to handle weight of equipment.

TRANSPORTATION IS FULL RESPONSIBILITY OF THE CUSTOMER

*Norgard Equipment shall use reasonable care to see that the equipment is in proper working condition delivery to the renter. The renter accepts the machine as being in good mechanical condition, capable of safe operation, and agrees to return it to Norgard equipments place of business in the same condition.*
